Stay tuned for more information on subsequent workshops!

*** If you do not know if you qualify for TPS, please come to our workshops where qualified and competent attorneys will advise you accordingly. For you and your family's well-being, do not seek the assistance of a "notaire" or someone who is not an attorney or an accredited immigration representative. Improperly filing a TPS application when you do not qualify for this benefit may result in placement into removal/deportation proceedings. ***
